1.1.1. Curricular Planning & Implementation

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well-planned and documented process

College ensures effective curriculum delivery through a well-planned and documented process. Academic calendar of the college has been prepared adhering to the calendar of the university and the active plan for timely implementation is formulated by the college to ensure its effective delivery. Induction program for newly enrolled students of all faculties in college is planned and conducted Faculty members are encouraged to prepare an action plan for their classroom teachings of the entire year before the academic year commences. The preparation of such a plan helps with effective distribution of syllabus, clarity of curriculum and timely completion of the course. Each department prepares its internal academic calendar well before the year commences. The individual teaching plans of every subject are prepared by the respective teacher along with the calendar. Continuous evaluation is maintained throughout the year. Guest lecturers were arranged periodically to keep the students ahead of the existing knowledge. Timely feedback is obtained from the students, staff members and parents. Measures are taken to enforce necessary changes by the heads and the principal. The staff is constantly encouraged to attend orientation programmes, refresher courses, induction programmes, workshops, conferences and seminars to upgrade their knowledge.
