

Criterion 1

1.1.2.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous

Internal Evaluation (CIE)

The academic calendar contains the tentative dates of internal and external semester examinations, co-curricular and extra-curricular activities, end of term and vacation period, to guide the teachers and students. In accordance with SPPU University, academic calendar of this college is prepared by Academic Calendar Committee in consultation with IQAC. College academic calendar is made available to all stakeholders on the college website. Continuous Internal Evaluation (CIE) is carried out by objective as well as subjective manner of assessments. Different methods followed for CIE are assignment, quiz, tutorials, seminars etc. Extra-curricular activities are planned in advance and executed as per the academic calendar. Apart from these conventional methods, ICT based internal evaluation process was carried out through LMS (Google platform). Time-table for the internal evaluation is displayed at the college website and on notice boards. Nowadays, students are informed about the CIE schedule through social media (WhatsApp) also. If a student fails to attempt the scheduled examination, the absent student gets a chance to appear for the re-test. Like theory courses, practical CIE is also carried out through various methods viz, orals, journal completion and certification. All the examination pertaining activities are already mentioned and executed as per planned schedule. The planned academic activities execution is ensured through rigorous monitoring by the Principal/ Vice-Principals. In this way IQAC of our college encourages the faculty members of the institute to adhere to the academic calendar including the conduct of CIE
