

2.2.1. THE INSTITUTION ASSESSES THE LEARNING LEVELS OF THE STUDENTS AND ORGANIZES SPECIAL PROGRAMMES FOR ADVANCED LEARNERS AND SLOW LEARNERS

In our college, D.G.Walse Patil College, the admissions are given on first come first basis. Therefore, the admitted students are always a combination of bright students and average students. To help them to cope-up with the new learning environment, a number of measures are undertaken.

Library facility is available to all students and the learners of all categories are permitted to borrow two books from the library for effective preparation and to collect extra references for the study.

Mentor-Mentee relationship is followed in our institution. The mentor, herewith called as student advisor has to maintain the Students' Record, to keep track of the records of the mentees. This is to help and to identify the slow learners as well as the advanced learners from each batch of each year and every course.

Each type of students has different learning attitudes and learning habits. The objective of such assessment process of the learning levels of the students is

- To identify the factors affecting the student's performance.
- To analyse them with respect to the institutional framework.
- To provide a proper solution for improving their performance and to build a successful career after thorough identification and analysis of the students.

IDENTIFYING THE SLOW AND ADVANCED LEARNERS

Student Information Form

Every faculty advisor/mentor maintains a students' record. Following records are to be maintained by Class Advisor/mentor of each class:

- (iv) Remedial measures are taken and details (circulars and notices).
- (v) Records of activities for both types of learners.
