

#### **4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.**

The college has well-defined guidelines and procedure for repairing and maintenance activities to ensure time-bound maintenance work which is maintained through purchase, financial norms and CDC committee. The institute has land development and building construction committee who undertakes the regular surveillance of maintenance and upkeep of the infrastructure and facilities. AMC is in place for electrical repairs, Water purifier's coolers, CCTVs, duplicating machines, fire extinguishers, air conditioners, cleaning and Security Guard etc. Functional AMC's for purchase and maintenance of IT infrastructure. Routine maintenance and repairs of IT infrastructure are take care by in-house system administrator. Playground and garden are maintained by Gymkhana committee and Botanical garden and campus beautification committee respectively. Maintenance of routine laboratory instruments is handling by laboratory assistance and attendants who are specifically trained. Some critical maintenance and repairs were carried out by help of external agencies. The cleanliness and other maintenance of the campus are done by the support staff through cleanness committee. A sugar factory supplies electricity to the college. Electricity is generated from sugarcane tops.
